Organization Chart

Fraunhofer Institute for Mechanics of Materials IWM

Wöhlerstraße 11, 79108 Freiburg, Germany

Executive Director: Prof. Dr. Peter Gumbsch -200
Deputy Directors: Prof. Dr. Chris Eberl -156, Dr. Rainer Kübler -507
Head of Administration: Elke Schubert -507

Corporate Communication and Strategy: Thomas Götz -153, Prof. Dr. Christian Elsässer -286

Fraunhofer IWM

Date July 39, 2026

business units / groups

Manufacturing Processes **Dr. Dirk Helm -158**	**Tribology** **Prof. Dr. Michael Moseler -332 and Prof. Dr. Matthias Scherge -206 (+49 721 204327-12)**	**Component Safety and Lightweight Construction** **Dr. Silke Sommer -266**	**Assessment of Materials and Lifetime Concepts** **Dr. Christoph Schweizer -382**	**Administrative Infrastructure** **Elke Schubert -507**	**Technical Infrastructure** **Dr. Rainer Kübler -507**
Powder Technology and Particle Simulation Dr. Claas Bierwisch - 347	Tribological Component Testing and System Analysis Dr. Andreas Kailer -247	Fatigue and Fracture Mechanics Dr. Sascha Fliegener -528 and Dr. Igor Varfolomeev -210	Microstructure and Residual Stresses Dr. Johannes Preußner -101	Finances and Contracts Nina Halaczinsky -487	Workshop, Technology, Logistics Stefan Frei -345
Forming Processes Dr. Alexander Butz -369	Multiscale Modeling and Tribosimulation Dr. Gianpietro Moras -113	Crash Safety and Damage Mechanics Frank Huberth -472	Lifetime Concepts and Thermomechanics Dr. Christoph Schweizer -382	Human Resources Management Meike Pinto -267	IT Services Klaus Merkel -217
	Tribological and Functional Coatings Dr. Frank Burmeister -244	Composite Materials PD Dr. Jörg Hohe -340	Materials Modeling Dr. Daniel Urban -378	Event and Visitor Management Elke Schubert act. -507	Scientific IT Dr. Heiko Hafok -311
	Triboconditioning and -analytics (Location Karlsruhe) Dr. Dominik Kürten -404 and Prof. Dr. Martin Dienwiebel 0172 5189084	Meso- and Micromechanics Dr. Thomas Straub -537	Lifetime concepts for hydrogen applications Dr. Thorsten Michler -475 and Dr. Frank Schweizer -122
